COURSE DESCRIPTION

Adobe Photoshop, Lightroom and other software tools will be used to develop foundation skills for image editing across a wide spectrum of media applications. Students will learn how to manipulate imagery for the web to accommodate download speed and platform compatibility. Important industry issues such as image output, resolution for print and colour calibration are covered. Compositing images and control of image quality are reinforced through the use of adjustment layers, channels and layers masks.

PREREQUISITES

None.

COURSE REQUIREMENTS

It is not required that you own a computer, however acquiring the appropriate hardware and course software are suggested for optimal learning. Students should purchase a USB flash drive or external hard drive to backup and transfer files to and from home or be prepared to utilize cloud storage options.

Access to a camera and/or original, digital photographic images will be crucial in completing assignments in this course. Cameras on mobile phones are an acceptable alternative.

LEARNING OUTCOMES

The successful completion of this course indicates that the student has reliably demonstrated the ability to:

- Perform basic photo corrections
- Target image areas through selections
- Use masks and channels
- Optimize images for the web
- Create composite imagery
- Manage workflow and consistent colour for print and web output

DELIVERY METHODS/FORMAT

Conventional lecture and demonstration methods are used to present the theory portion while projects and assignments are utilized to reinforce and compliment the theory.

ASSESSMENTS

Attendance and Participation

Regular attendance and participation is expected. If you must miss class, please inform the instructor ahead of time, if at all possible. It is the student's responsibility to take notes, to obtain missed assignments, announcements or material handouts for any class they have missed. The student is also expected to review topics as outlined in the syllabus prior to class.

Assignments:

Students are given assignments after each class to demonstrate their understanding of material covered during formal delivery and the application of this knowledge in a practical manner.

Final Project:

This in-class practical project will assess the student's course knowledge in general

since the beginning of term, and concepts covered in more detail since the mid-term evaluation.

EVALUATION

ACADEMIC AND STUDENT CONDUCT

Information on academic standing and student rights and responsibilities can be found in the current Academic Regulations that are posted on the Student Services/ Admissions & Registration web page

PLAGIARISM

Plagiarism is a serious academic offence. Plagiarism occurs when students present the words of someone else as their own. Plagiarism can be the deliberate use of a whole piece of another person's writing, but more frequently it occurs when students fail to acknowledge and document sources from which they have taken material. Whenever the words, research or ideas of others are directly quoted or paraphrased, they must be documented according to an accepted manuscript style (e.g., APA, CSE, MLA, etc.). Resubmitting a paper which has previously received credit is also considered plagiarism. Students who plagiarize material for assignments will receive a mark of zero (F) on the assignment and may fail the course. Plagiarism may also result in dismissal from a program of study or the College.

YUKON FIRST NATIONS CORE COMPETENCY

Yukon College recognizes that a greater understanding and awareness of Yukon First Nations history, culture and journey towards self-determination will help to build positive relationships among all Yukon citizens. As a result, to graduate from ANY Yukon College program, you will be required to achieve core competency in knowledge of Yukon First Nations. For details, please see www.yukoncollege.yk.ca/yfnccr.

ACADEMIC ACCOMMODATION

Reasonable accommodations are available for students requiring an academic accommodation to fully participate in this class. These accommodations are available for students with a documented disability, chronic condition or any other grounds specified in section 8.0 of the Yukon College Academic Regulations (available on the Yukon College website). It is the student's responsibility to seek these accommodations. If a student requires an academic accommodation, he/she should contact the Learning Assistance Centre (LAC) at (867) 668-8785 or lassist@yukoncollege.yk.ca.
