- enhance/maintain client independence within the community and related to self-care needs
- use an informed problem-solving approach to provide care and assistance that promotes the physical, psychological, social, cognitive and spiritual well-being of clients and families
- provide care and assistance for clients experiencing complex health challenges
- provide care and assistance for clients experiencing cognitive and/or mental health challenges
- interact with other members of the health care team in ways that contribute to effective working relationships and achievement of goals
- communicate clearly, accurately and in sensitive ways with clients and families within a variety of contexts
- provide personal care and assistance in a safe, competent and organized manner
- recognize and respond to their own self-development, learning and health enhancement needs
- perform the care-giver role in a reflective, responsible, accountable and professional manner.

## **COURSE FORMAT**

This course takes place in a work setting and involves the application of theory to practice. Practicum will occur in selected 'home care' agencies and/or related community settings. These work experiences will be variable in length and time and occur on various days during the week. Each student must complete 60 hours (minimum) of practicum. Practicum time may include learning in lab/simulation settings when appropriate.

## **ASSESSMENTS**

This course is graded as Pass/Fail.

All evaluative components for this course are mandatory and must have a passing grade (usually a minimum of 50%) Or Pass grade indicated for each component in order to receive a passing grade.

All components must be completed within TWO weeks of completing practicum shifts.

## **Attendance & Participation**

Regular attendance for practicum and any lab/classroom sessions is essential for successful completion of this course: Please refer to Student Manual (Clinical Placement section) for details of attendance and other practicum requirements.

## **Assignments**

### **Reflective Workbook**

## **ACADEMIC AND STUDENT CONDUCT**

Information on academic standing and student rights and responsibilities can be found in the current Academic Regulations that are posted on the Student Services/

Admissions & Registration web page.

## **PLAGIARISM**

Plagiarism is a serious academic offence. Plagiarism occurs when students present the words of someone else as their own. Plagiarism can be the deliberate use of a whole piece of another person's writing, but more frequently it occurs when students fail to acknowledge and document sources from which they have taken material. Whenever the words, research or ideas of others are directly quoted or paraphrased, they must be documented according to an accepted manuscript style (e.g., APA, CSE, MLA, etc.). Resubmitting a paper which has previously received credit is also considered plagiarism. Students who plagiarize material for assignments will receive a mark of zero (F) on the assignment and may fail the course. Plagiarism may also result in dismissal from a program of study or the College.

## **YUKON FIRST NATIONS CORE COMPETENCY**

Yukon College recognizes that a greater understanding and awareness of Yukon First Nations history, culture and journey towards self-determination will help to build positive relationships among all Yukon citizens. As a result, to graduate from ANY Yukon College program, you will be required to achieve core competency in knowledge of Yukon First Nations. For details, please see [www.yukoncollege.yk.ca/yfnccr](http://www.yukoncollege.yk.ca/yfnccr).

## **ACADEMIC ACCOMMODATION**

Reasonable accommodations are available for students requiring an academic accommodation to fully participate in this class. These accommodations are available for students with a documented disability, chronic condition or any other grounds specified in section 8.0 of the Yukon College Academic Regulations (available on the Yukon College website). It is the student's responsibility to seek these accommodations.
