

About your YukonU student ID card

Our newly designed Yukon University student ID cards will be distributed in the 2021 Winter semester. Whether you are beginning or continuing your studies, the card issued at the start of this semester should be maintained until the end of your studies. At the start of each semester, we'll provide you with a sticker to apply to your card that indicates the current semester and whether you are a full- or part-time student.

The new card also has a barcode which assists with on-campus monitoring during Covid-19. At Ayamdigut Campus, student ID cards must be presented at doors 1 and 5. Please check with your local campus to determine check-in procedures. Visit YukonU.ca/covid-19 for the latest Covid-19 response information.

This semester, your student ID card will be sent to you by mail. To order your new card, or replace your existing card, please email connect@yukonu.ca providing:
